HENDERSON COUNCILMAN WARD 4

Newsletter- December 2025

Dear Friends and Neighbors,

We are in the midst of our holiday season and I am filled with gratitude for having the pleasure of serving you and being able to participate in festive activities within our community.

We are living in difficult times and our humanity is constantly being challenged. I find a few key reminders help me to balance the noise of chaos and disruption:

Joy and Kindness – Let us remember to reach out to those in need. Whether it's through volunteering, donating to local charities, or simply offering a helping hand to a neighbor, every small act of kindness contributes to the larger spirit of the season.

Celebrate Together – I encourage you all to participate in local festivities, support our small businesses, and connect with one another. Together, we can create lasting memories and foster a sense of belonging.

As we approach the new year, let us carry the warmth and joy of the holiday season into our daily lives. I am excited about the opportunities that lie ahead and am committed to working hard for our community.

I wish you and your family a Merry Christmas, Happy Hanukkah or just celebrating the cornerstones of the holiday season – Hope, Peace, Joy and Love.

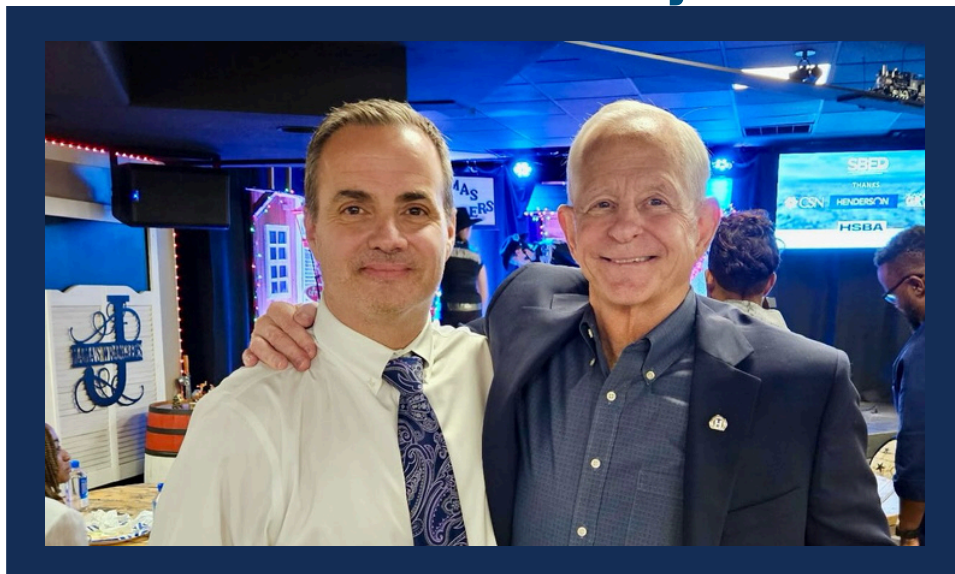

Dan

Holiday Celebrations

I had the best time kicking off this year's holiday season. The festivities started at the annual Winterfest Tree Lighting ceremony and was followed by the Electric Light Parade on Water Street. We also attended the Messiah Concert at Green Valley Presbyterian Church, where the spirit of the season was felt throughout the church.

Henderson Small Business Assistance Grants Awards Ceremony

Attending the HSBA Grant Awards Ceremony at the Firelight Barn allowed me the honor of wishing my friend, Jared Smith, the best of luck in his next adventure in Montgomery County, Maryland, as their Economic Development Office CEO and President. Good luck my friend.

Thank You Team Henderson

It is a privilege to work with the incredible administrative staff we have here at City Hall. They are truly the backbone of Mayor and Council activities and we are able to accomplish so much because of them. Thank you for all you do.

Menorah Lighting at The District

Thank you to the Chabad of Henderson for the invitation to this year's Menorah Lighting. It was an evening of hope and celebration which I enjoyed sharing with my colleagues and community.

The Giving Machine at the District

The Giving Machine is still in business at The District. It provides an amazing opportunity to support our local nonprofits. The nonprofits featured this year include: Catholic Charities of Southern Nevada, Helping Hands of Southern Nevada, Foster Kinship, Future Smiles, and Three Square.
