HENDERSON COUNCILMAN WARD 4

Newsletter- July 2026

Dear Friends and Neighbors,

July was a wonderful month filled with opportunities to connect with the community and appreciate the people who make Henderson such a special place to call home.

I welcomed many new businesses, celebrated important milestones and bonded with the community in more ways than one.

As we approach the end of summer, I'm wishing all of our students a successful upcoming school year beginning on August 10. Good luck this year!

Fourth of July Celebrations

The Fourth of July is always such a fun time of year, especially so on the country's 250th anniversary. Mary and I spent the holiday at Heritage Park enjoying the fireworks, festivities and spending time with our friends and fellow residents. It was a great reminder of how special it is to have opportunities to come together and make memories with the people we care about.

Question 1 Passes with Nearly 80% of the Vote

There is so much to celebrate when a community comes together to support the places that make it special. I had a wonderful evening with those who championed Henderson's Question 1, to celebrate keeping an existing property tax in place that funds the maintenance and operating costs of city parks and recreational facilities.

Congratulations to everyone who helped make this possible and thank you for investing in the future of Henderson for generations to come!

Ribbon Cuttings

Club Champion

We welcomed many new businesses to Ward 4 this month! Club Champion is a golf club fitting store located right next to the Cheesecake Factory in The District, at 170 S Green Valley Pkwy Suite 130. Congratulations to the team on their exciting milestone.

Tailored Touch Chiropractic

It was a pleasure to be a part of the ribbon cutting for Tailored Touch Chiropractic. Located at 1720 W Horizon Ridge Pkwy, the company offers structural adjustments, soft tissue therapy, cryo massage and more. Welcome to the community.

Crunch Fitness

I was excited to celebrate the opening of the new Crunch Fitness and recognize the team behind bringing more opportunities for health, wellness, and community connection to the area. The gym is located at 2556 Wigwam Pkwy. I'm looking forward to seeing all the ways the location helps the community get moving.

Christmas in July

This month, we had some holiday spirit in the middle of summer. Goodwill of Southern Nevada's Christmas in July event brought together community partners and first responders to give 100 children from local nonprofit organizations a memorable shopping experience. What a great event to put smiles on kids' faces and bring our community together.

Neuro Restorative Tour

I had the pleasure of touring Neuro Restorative on Super Hero Day. The organization provides rehabilitation services for people of all ages with brain and spinal cord injuries, complex illnesses, behavioral health challenges, and other needs. It is wonderful to have such amazing specialized healthcare workers in Southern Nevada.
