HENDERSON COUNCILMAN WARD 4

Newsletter- September 2026

Dear Friends and Neighbors,

It's been a full and exciting month in Henderson! From serving alongside neighbors during our Community Day of Service, to celebrating new businesses and developments with site announcements and ribbon cuttings, there have been plenty of opportunities to come together and look toward Henderson's future.

In October, we have plenty of fun and festive fall activities and ways to stay involved in the community.

As a reminder, early voting begins on Saturday, October 17th for the general election.

Paseo Verde Little League Celebration

This month, we celebrated an incredible accomplishment for Paseo Verde Little League as the winners of the 2026 United States Little League World Series! These young athletes have shown what can happen when you work together, stay committed, and never give up. Congratulations to all of the champions, and thank you to the coaches, families, and community members who supported them every step of the way!

Community Day of Service

I was grateful to be part of our annual Community Day of Service and work alongside neighbors, volunteers, and local organizations who care about making Henderson an even better place to call home. Thank you to all the houses of worship and their faith leaders who participated and gave their time, energy, and effort to make a difference.

Henderson Chamber of Commerce Luncheon

It was wonderful to spend time at the Henderson Chamber of Commerce State of the Chamber Luncheon and catch up with business and community leaders from across the region. It's always valuable to hear about the projects, ideas, and partnerships helping move Southern Nevada forward. I'm grateful for the conversations and the shared commitment to creating new opportunities and supporting continued growth in our community.

Coffee with Our Cops

This month, I joined our officers and command staff at Coffee with Our Cops in Ward 4. I'm incredibly proud and thankful for the men and women who serve our city and work every day to keep our community safe.

Former Fiesta Site Announcement

Exciting to see a new chapter beginning for the former Fiesta site in Henderson. I had the pleasure of attending the announcement for the development of a sports fieldhouse, as well as dining and retail spaces to take shape at the site. I'm thrilled to see what's ahead and the positive impact this development will have on Henderson residents by bringing new investment, jobs and opportunities to the area.

Vision Park Ribbon Cutting

It was an honor to join the Blind Center of Nevada for the ribbon cutting at Vision Park and present a City Certificate to celebrate this special milestone. Vision Park is an incredible facility that provides supportive homes and important resources for members of our community who are blind or visually impaired. It's always rewarding to see our community come together to create opportunities and a better quality of life for everyone.

Key to the City Presentation

It was a pleasure to present a Key to our Great City to award-winning author-in-residence Aida Salazar at Paseo Verde Library. Through her novels and picture books, Aida brings important conversations about identity, culture, and social justice to readers of all ages. Congratulations, Aida, and thank you for the impact you're making through your work.
